September 2025 General Meeting

Artificial Intelligence and Ham Radio

Please join us at 19:00 on Wednesday, September 3rd for pre-meeting social time

James has been licensed since 2006. he is an avid ham radio operator. his primary modes are PSK31, SSB, local FM, and FT8—a reliable workhorse that keeps stations active. James' resides in San Diego, CA, with his wife and son, Jacob.

Professionally, he manages IT security for a legal firm, blending his passion for technology with my career. I operate an FTdx3000 with a modest setup, always ready to pursue the next signal. Look forward to connecting on the air!

James will speak about how AI is impacting Ham radio.

Also, as a recap of last month's meeting, please see HERE for a PDF download of the FreeDV presentation!
